

**DR. CHRISTIE'S GALVANIC BELT**  
BRACE AND NECKLACE  
MAGNETIC FLUID

For the Removal and Permanent Cure of all  
**NERVOUS DISEASES,**  
And of those Complaints which are caused by an impaired  
and unsteady condition of the  
**NERVOUS SYSTEM.**

This beautiful and convenient application of the mysterious  
powers of GALVANISM and MAGNETISM, has been pro-  
nounced by distinguished physicians, both in Europe and the  
United States, to be the most reliable medicinal remedy of  
the age.

**DR. CHRISTIE'S GALVANIC BELT**  
and  
**MAGNETIC FLUID,**  
is used with the most perfect and certain success in all  
cases of

**GENERAL DEBILITY,**  
Strengthening the weakened body, giving tone to the various  
organs, and invigorating the entire system. Also in PITS,  
CRAMP, PARALYSIS and LALSY, DYSPEPSIA or INDIGESTION,  
RHEUMATISM, GOUT, BRUISES, LUMBAGO, DIAPHRASIS, NERVOUS TREMORS,  
PALPITATION OF THE HEART, APOPLEXY, NEURALGIA, PAINS IN THE SIDE AND CHEST, LIVER COMPLAINT,  
SPINAL COMPLAINT, AND CURVATURE OF THE SPINE, HIP COMPLAINT, DISEASES OF THE KIDNEYS,  
DEFICIENCY OF NERVOUS AND PHYSICAL ENERGY, and all NERVOUS DISTURBANCES, which complaints arise  
from a simple cause.

**Arrangement of the Nervous System.**  
In NERVOUS COMPLAINTS, Drugs and Medicines  
increase the disease, for they take the vital energies of the  
already prostrated system; while under the strengthening,  
life-giving, vitalizing influence of Galvanism, as applied by  
this beautiful and wonderful device, the excited patient  
and weakened sufferer is restored to former health, strength,  
elasticity and vigor.

The great peculiarity and excellence of  
**Dr. Christie's Galvanic Curatives,**  
consists, in the fact that they arrest and cure disease by  
ward application, in place of the usual mode of drugging  
and physicating the patient, till nature sinks hopelessly  
under the infliction.

They strengthen the whole system, equalize the circulation of  
the blood, promote the excretions, and never do the slightest injury  
under any circumstances. Since their introduction in the  
United States, only three years since, more than

**60,000 Persons**  
including all ages, classes and conditions, among which were  
a large number of ladies, who are peculiarly subject to Nervous  
Complaints, have been

**ENTIRELY AND PERMANENTLY CURED,**  
when all hope of relief had been given up, and every thing  
else had been tried in vain.

To illustrate the use of the GALVANIC BELT, suppose  
the case of a person afflicted with that base of civilization,  
DYSPEPSIA, or any other Chronic or Nervous Disorder. In  
ordinary cases, stimulants are taken, which by their action on  
the nerves and muscles of the stomach, afford temporary relief,  
but which leave the patient in a low state, and with injured  
faculties, after the action thus excited has ceased. Now compare  
this with the effect resulting from the application of the  
GALVANIC BELT. Take a Dyspeptic sufferer, even in the  
worst symptoms of an attack, and simply tie the Belt around  
the body, using the Magnetic Fluid as directed. In a short  
period the insupportable prostration will act on the positive  
element of the Belt, thereby causing a galvanic circulation  
which will pass to the negative, and thence back again to  
the positive, thus keeping up a continuous galvanic circulation  
throughout the system. The most severe cases of  
DYSPEPSIA are PERMANENTLY CURED. A FEW DAYS OF  
USE OF THE GALVANIC BELT, with the MAGNETIC FLUID,  
IS OFTEN AMPLY SUFFICIENT TO ERADICATE THE  
DISEASE OF YEARS.

**CERTIFICATES AND TESTIMONIALS**  
Of the most Undoubted Character,  
From all parts of the Country can be given, sufficient to fill  
every column in this paper.

**AN EXTRAORDINARY CASE,**  
which conclusively proves that

**"Truth is stranger than Fiction."**

**CURE OF**  
**RHEUMATISM, BRUISES AND DYSPEPSIA.**  
Rev. Dr. Landis, a Clergyman  
of New Jersey, is distinguished attainments and exalted  
reputation—

Dr. A. H. CHURCH—Dear Sir: You wish to know of me  
what has been the result in my case, of the application of  
THE GALVANIC BELT AND NECKLACE. My reply is as  
follows:

For about twenty years I had been suffering from Dyspepsia.  
Every year the symptoms became worse, nor could I  
obtain permanent relief from any course of medical treatment  
whatever. About fourteen years since, in consequence of  
frequent exposure to the weather in the discharge of my pastoral  
duties, I became subject to a severe Chronic Rheumatism,  
which for years after, caused me indescribable  
anguish. Further, in winter of 1854, I was afflicted with  
of pneumonia, a great deal in my own and various other  
churches in this region, I was attacked by the Rheumatism,  
which soon became so severe as to require an immediate sus-  
sension of my pastoral labors. My friends advised me to use  
thoroughly procured, and as my Rheumatism became worse,  
so also my Dyspepsia and Rheumatism affected me, thus evincing  
that these disorders were connected with each other through  
the medium of the Nervous System. In the winter of 1855, I  
purchased a great deal of the GALVANIC BELT and NECKLACE, and  
in June, 1856, I used it for two days. I was enabled to  
resume my pastoral labors; nor have I since omitted a  
single service on account of the Rheumatism, and my  
Rheumatism has not returned. I am now in perfect health. Such  
is the wonderful and happy result of the experiment.

I have recommended the BELT and FLUID to many who  
have been likewise suffering from Rheumatism. They have  
tried them, with happy results. I believe, in every  
case.

I am, dear Sir, very respectfully yours,  
ROBERT W. LANDIS.

**Tic Dolorous and Neuralgia.**  
These dreadful and agonizing complaints are immediately  
relieved by the application of the GALVANIC BELT, NECKLACE  
and FLUID. The Belt diffuses its electric influence through  
the system; the Necklace has a local effect, and the Fluid acts  
directly upon the affected nerves. In these distressing  
afflictions the application NEVER FAILS.

**FITS AND CONVULSIONS.**  
These alarming and terrible complaints are always caused  
by a derangement of the Nerves. The BELT, BRACELETS and  
FLUID will cure nearly every case, no matter how young or  
old the patient, or how long the complaint has continued. Numerous  
and astonishing proofs are in possession of the proprietor.

Many hundreds of certificates from all parts of the country  
of the most extraordinary character can be given, if required.

No trouble or inconvenience attends the use of DR.  
CHRISTIE'S GALVANIC BELT, NECKLACE, and they may be  
worn by the most feeble and delicate with perfect ease and  
safety. In many cases the sensation attending their use is  
highly pleasant and agreeable. They can be sent to any part  
of the country.

Memphis, Tenn., March 1850.

The Faculties, for intellectual abilities, moral worth and professional acquirements, will compare favorably with the most distinguished in our country. The medical faculty constitutes an anomaly in this or any other country—all of them are able lecturers and the best of teachers.

Those who will contemplate our geographical position, and the extent of our population, can have no doubt as to the eligibility of our situation for an enterprise of the kind. As to health, including all seasons of the year, we deny that ANY OTHER CITY HAS MORE.

A common error exists in the minds of many students relative to the place of studying medicine; those who intend practicing among the diseases of the West and South should certainly educate themselves at a school whose faculty are practically acquainted with those diseases.

That the public may be satisfied of the permanency of this school, we feel it our duty to state, that the Trustees and Faculty form a UNIT in action which augurs well for its future success; and that the peculiar internal organization which connects them, cannot be interrupted.

**DR. HOOFLAND'S CELEBRATED GERMAN BITTERS,**  
PREPARED BY  
**DR. C. M. JACKSON,**  
AT THE GERMAN MEDICINE STORE,  
120 Arch Street, Philadelphia.

Their power over the above diseases is not excelled, if equalled, by any other preparation in the United States as the annexed list, in many cases after skillful physicians, had failed.

These Bitters are worthy the attention of invalids. Possessing great virtues in the rectification of diseases of the Liver and lesser glands, exercising the most searching powers in weakness and affections of the digestive organs, they are, without fail, safe, certain and pleasant.

**READ AND BE CONVINCED.**  
Chas. Robinson, Esq., Easton, Md., in a letter to Dr. Jackson, Jan. 9, 1850, said—  
"My wife and myself have received more benefit from your medicine than any other we have ever taken for the Dyspepsia and Liver disease."  
"The Tenth Legion," published at Woodstock, Va., Jan. 10, 1850, said—  
"A GREAT MEDICINE."

"We have uniformly refrained from recommending to the public any of the various Patent Medicines of the day, unless thoroughly convinced of their value. Among those we consider worthy of notice is the German Bitters, invented by Dr. Hoofland, and prepared by Dr. Jackson, in Philadelphia. One instance in particular, in which the superior virtues of this medicine have been tested, has fallen under our observation. During the last summer, a son of Mr. Abraham Brabill, of this country, was very seriously afflicted with Liver Complaint, and after trying in vain various remedies, he purchased a bottle of the Bitters and after using it, was so much relieved of his distressing malady that he procured another bottle, and is restored entirely to health."

**READ FURTHER A FEW FACTS.**  
The "Philadelphia Democrat," the leading German journal of Philadelphia, the editorial, Nov. 21st, 1849, called attention to the removal of the German Medicine store, the principal depot for the sale of Dr. Hoofland's German Bitters, from 278 Race to 120 Arch street, one door below Sixth. Owing to the increased demand for this medicine, and for the accommodation of his numerous patients, Dr. Jackson has been compelled to occupy a larger store. We wish him success in his new quarters; he is deserving of it. The Bitters, mixture is without doubt the greatest medicine extant for diseases of the Liver and Bile. A stubborn case of Chronic Diarrhoea, has come under our notice, wherein the patient had exhausted the Materia Medica of the different schools of medicine with no apparent benefit. He was induced to use these Bitters, and a few bottles of them have entirely cured him. Many such cases we could refer to. We hope our readers will recollect this great restorative, should they be unfortunate as to require its use. Dr. Jackson possesses the original unpublished receipt of Dr. Hoofland, and he prepares this medicine with this care. Those purchasing should call at his store, or see that his name is written upon the wrapper outside, and blown in the bottle, as imitations of all good articles are common."

Judge M. M. Noah, a gentleman with great scientific and literary attainments, said in his "New York Weekly Messenger," June 6, 1850,—"Dr. Hoofland's GERMAN BITTERS.—Here is a preparation which the leading press in the Union appear to be unanimous in recommending, and the reason is obvious. It is made after a prescription furnished by one of the most celebrated physicians of modern times, the late Dr. Christ. Wilhelm Hoofland, Professor to the University of Jena, Private Physician to the King of Prussia, and one of the greatest medical writers Germany has ever produced. He was emphatically the enemy of humbug, and therefore a medicine of which he was the inventor and endorser may be confidently relied on. He specially recommended it in liver complaint, dyspepsia, debility, vertigo, acidity of the stomach, constipation, and all complaints arising from a disordered condition of the stomach, the liver and the intestines. Nine Philadelphia papers express their conviction of its excellence, and several of the editors speak of its effects from their own individual experience. Under these circumstances we feel warranted not only in calling the attention of our readers to the present proprietor's (Dr. C. M. Jackson's) preparation, but in recommending the article to all afflicted."

**MORE EVIDENCE.**  
The "Philadelphia Saturday Gazette," the best family newspaper published in the United States, the editor says of DR. HOOFLAND'S GERMAN BITTERS—"It is seldom that we recommend what are termed Patent Medicines to the confidence and patronage of our readers, and therefore, when we recommend Dr. Hoofland's German Bitters, we wish it to be distinctly understood that we are not speaking of the nostrums of the day, that are used about for a brief period and then forgotten after they have done their evil race of mischief, but of a medicine long established, universally prized, and which has met the hearty approval of all the Faculty."

Evidence from all sections of the Union, the last three years, and the strongest testimony in its favor, is, that there is more of it in use in the practice of the regular Physicians of Philadelphia than all other nostrums combined, a fact that can easily be established, and fully proving that a scientific preparation will meet with their quiet approval when presented even in this form.

That this medicine will cure liver complaint and dyspepsia, no one can doubt, after using it as directed. It acts specifically upon the stomach and liver—it is preferable to colic in all bilious diseases—the effect is immediate.—They can be administered to female or infant with safety and reliable benefit, at any time.

**Beware of Counterfeits.**  
This medicine has attained that high character which is necessary for all medicines to attain to induce counterfeits to put forth a spurious article at the risk of the lives of those who are unwarily deceived.

**LOOK WELL TO THE MARKS OF THE GENUINE.**  
They have the written signature of C. M. JACKSON upon the wrapper, and the name blown in the bottle, without which they are spurious.

The application of the Plaster between the shoulders has been found a certain remedy for Colds, Coughs, Phthisis, and Lung Affections in their primary stages. It destroys inflammation by perspiration.

**JEW DAVID'S OR HEBREW PLASTER IN NORTH CAROLINA.**  
MESSRS. SCOVILL & MEAD: I have been troubled with the chronic rheumatism for the last twelve years. On the 1st of July, 1849, I was so bad that I could not turn myself in bed, and I was so sore that I had not slept a wink for six days. At this time my attending physician prescribed the "Hebrew Plaster," and it acted like a charm: the pain left me, and I slept more than half of the night, and in three days I was able to rise out. I consider the "Hebrew Plaster" the best remedy for all sorts of pains now in use.

**JEW DAVID'S OR HEBREW PLASTER IN NORTH CAROLINA.**  
MESSRS. SCOVILL & MEAD: I have been troubled with the chronic rheumatism for the last twelve years. On the 1st of July, 1849, I was so bad that I could not turn myself in bed, and I was so sore that I had not slept a wink for six days. At this time my attending physician prescribed the "Hebrew Plaster," and it acted like a charm: the pain left me, and I slept more than half of the night, and in three days I was able to rise out. I consider the "Hebrew Plaster" the best remedy for all sorts of pains now in use.
